HIGH SCHOOLS STUDENTS INTERESTED IN MAKING **\$50K/YEAR**

IS YOUR FUTURE UP IN THE AIR?

DO YOU KNOW WHAT TO DO AFTER HIGH SCHOOL?

DON'T WAIT UNTIL AFTER GRADUATION TO DECIDE, START NOW!

Take off with Baker Aviation and land a successful career as an [Aircraft Technician](#) or [Avionics Technician](#) or [start your path to a college degree](#).

Here are some facts that you should know:

- ❖ Baker Aviation is a Miami-Dade County Public School.
- ❖ Major airlines are paying entry-level wages between **\$17 & \$19 per hour** for entry-level Technicians.
- ❖ Our high school graduates who begin by their sophomore year can graduate with a high school diploma and an FAA license ready to earn up to **\$18 per hour**.
- ❖ Because Baker is a shared-time program you can still attend your home school while earning your elective credits towards graduation from Baker.
- ❖ You can enroll at Baker as a freshman, sophomore, junior or senior.
- ❖ Our career specialist can assist you in finding a high paying job upon completion of high school or help you continue towards an A.A., B.A., or Masters Degree.
- ❖ As a high school student enrolled at Baker you prepare for your career at **NO COST** to you.
- ❖ As a Baker student you may qualify for a College Scholarship or transfer credits to a local college.
